

# Stuck Like Glue

Karmin

Absolutely no one who knows me better  
No one that can make me feel so good  
How did we stay so long together?  
Everybody, everybody said we never would  
And just when I  
Start to think they're right  
The love has died  
There you go making my heart beat again  
Heart beat again, heart beat again  
There you go making me feel like a kid  
Won't you do it, do it one time?  
There you go pulling me right back in  
Right back in, right back in  
And I know I'm never letting this go  
I'm stuck on you  
Whoa-oh, whoa-oh, stuck like glue  
You and me baby, we're stuck like glue  
Whoa-oh, whoa-oh, stuck like glue  
You and me baby, we're stuck like glue  
Some days I don't feel like trying  
Some days you know I wanna just give up  
When it doesn't matter who's right  
Fight about it all night  
Had enough, you give me that look  
I'm sorry baby let's make up  
You do that thing that makes me laugh  
And just like that  
There you go making my heart beat again  
Heart beat again, heart beat again  
There you go making me feel like a kid  
Won't you do it, do it one time?  
There you go pulling me right back in  
Right back in, right back in  
And I know I'm never letting this go  
I'm stuck on you  
Whoa-oh, whoa-oh, stuck like glue  
You and me baby, we're stuck like glue  
Whoa-oh, whoa-oh, stuck like glue  
You and me baby, we're stuck like glue
