

Good Girl

The Go-go's

I'm gonna be a good girl
So everybody loves me
I'm gonna do what they say
Let them choose the games that we play Good girl, good girl
Gonna be a good girl
Good dog, good girl
Gonna be a good girl I'm gonna smile 'til it hurts
So everybody loves me
I'll bend over backwards
Swallow all my angry words Good girl, good girl
Better be a good girl
Good dog, good girl
Gonna be a good girl Good girl, good girl
Better be a good girl
Good dog, good girl
Gonna be a good girl All I want is for everyone to love me
All I want is for everyone to love me I'll get down on my knees
I'll say pretty, pretty, pretty please Good girl, good girl
Better be a good girl
Good dog, good girl
Gonna be a good girl Good girl, good girl
Better be a good girl
Good dog, good girl
Gonna be a good girl Good girl, good girl
Better be a good girl
Good dog, good girl
Gonna be a good girl Good girl, good girl
Better be a good girl
Good dog, good girl
