## My Curse (Shiny Radio remix)

## **Killswitch Engage**

I watch you walk away Helpless with nothing to say

I strain my eyes

Hoping to see you againThis is my curse

The longing

This is my curse

Time

This is my curse

The yearning

This is my curseThere is love

Burning to find you

Will you wait for me?

Will you desire? Your silence haunts me

But still I hunger for youThis is my curse

The wanting

This is my curse

Time

This is my curse

The needing

This is my curseThere is love

Burning to find you

Will you wait for me?Still I want

Still I ache

But still I waitTo see you again

Dying inside

These walls

Dying inside

These wallsAnd I see your face

In these tears

In these tears

And I see your faceThere is love

There is love
