Home and Away (Karaoke Version)

The Couch Potatoes

You know we belong together
You and I forever and ever
No matter where you are
You're my guiding star

And from the very first moment I saw you
I never felt such emotion
I'm walking on air
Just to know (just to know)
You are there (you are there)

Hold me in your arms
Don't let me go
I want to stay forever
Home and away
With you each day

Let me be the one that you turn to
Someone you can rely on
Closer each day
Home and away

You know we belong together
You and I forever and ever
Until the end of time
I'm yours and you are mine

Oooh, I couldn't stand another minute
Living my life without you in it
It's suddenly clear
I will always (I will always)
Need you here (need you here)

Hold me in your arms
Don't let me go
I want to stay forever
Home and away
With you each day

Oh, let me be the one that you turn to

Someone you can rely on
Closer each day
Home and away

You know we belong together
You and I forever and ever
You know we belong together

Oh, I want to stay forever
Home and away
With you each day

Yeah, yeah, yeah, yeah, yeah, yeah, yeah
Someone you can rely on
Closer each day
Home and away

You know we belong together
You and I forever and ever
You know we belong together

Oooh, oooh
