Listen to Your Heart

D.H.T.

I know there's something in the wake of your smile
I get a notion from the look in your eyes, yea
You've built a love but that love falls apart
Your little piece of heaven turns to darkListen to your heart
When he's calling for you
Listen to your heart
There's nothing else you can doI don't know where you're going
And I don't know why
But listen to your heart
Before you tell him goodbyeSometimes you wonder if this fight is worthwhile
The precious moments are all lost in the tide, yea
They're swept away and nothing is what is seems
The feeling of belonging to your dreamsListen to your heart
When he's calling for you
Listen to your heart
There's nothing else you can doI don't know where you're going
And I don't know why
But listen to your heart
Before you tell him goodbyeAnd there are voices
That want to be heard
So much to mention
But you can't find the words
The scent and magic
The beauty that's been
When love was wilder then the rainListen to your heart
When he's calling for you
Listen to your heart
There's nothing else you can doI don't know where you're going
And I don't know why
But listen to your heart
Before you tell him goodbye
Listen to your heart, oohI don't know where you're going
And I don't know why
But listen to your heart
Before you tell him goodbye
