Walking In the Air (Duet)

Aled Jones

We're walking in the air
We're floating in the moonlit sky
The people far below are sleeping as we flyI'm holding very tight
I'm riding in the midnight blue
I'm finding I can fly so high above with youFar across the world
The villages go by like dreams
The rivers and the hills, the forests and the streamsChildren gaze open mouthed
Taken by surprise
Nobody down below believes their eyesWe're surfing in the air
We're swimming in the frozen sky
We're drifting over icy mountains floating bySuddenly swooping low
On an ocean deep
Rousing up a mighty monster from his sleepAnd walking in the air
We're dancing in the midnight sky
And everyone who sees us greets us as we flyWe're walking in the air
We're walking in the air
