

Open Arms (feat. Arnel Pineda) [Re-recorded]

Journey

Lying beside you, here in the dark
Feeling your heartbeat with mine
Softly you whisper, you're so sincere
How could our love be so blind
We sailed on together
We drifted apart
And here you are, by my side So now I come to you with open arms
Nothing to hide, believe what I say
So here I am, with open arms
Hoping you'll see what your love means to me
Open arms Living without you, living alone
This empty house seems so cold
Wanting to hold you
Wanting you near
How much I wanted you home Now that you've come back
Turned night into day
I need you to stay
