

For (Autumn Rebuild)

C Duncan

We came so by to the sea silently,
So when we go to the sea soundlessly.

Say ma no fy byaba see na go, say ma no by byaba da say na low.
Say ma no fy byaba see na go, say ma no by byaba da say na low. Say when e co by on a pa say ne fo by,
And when we go by on a so, on a so. (Whistle) I'll shed my silence on the sea silently,
And when we go shed your waves soundlessly.

Say ma no fy byaba see na go, say ma no by byaba da say na low.
Say ma no fy byaba see na go, say ma no by byaba da say na low. Say when e co by on a pa say ne fo by,
And when we go by on a so, on a so. (Whistle) We came so by to the sea silently,
So when we go to the sea soundlessly.

Say ma no fy byaba see na go, say ma no by byaba da say na low.

Say ma no fy byaba see na go, say ma no by byaba da say na low.

Say ma no fy byaba see na go, say ma no by byaba da say na low.

Say ma no fy byaba see na go, say ma no by byaba da say na low. (Say in any yuh puh puh puh, say in any yuh
puh puh puh).

(Say in any yuh puh puh puh, say in any yuh puh puh puh).
