Visions - Boehm Remix

Cheat Codes

Go away
When i close my eyes
I feel your skin
Back into my mind
You're back again
Crawling down my spine
Your Finger Tips
I Hate that i do
I'm getting visions of you
Alone in my bed
I can smell the perfume
Get out of my head
These visions of you
It's all i can see
Tell me truth
Are you thinking of me?
I'm getting visions of you
I'm getting visions of you
I'm getting visions of you
I'm getting visions of you
I'm getting visions of you
Alone in my bed
I can smell the perfume
Get out of my head
These visions of you
It's all i can see
Tell me truth
Are you thinking of me?
Thinking about the time
You went away
That's when you become
My great escape
Days were passing by...
The seasons change
And i hate that i do
But i'm still getting visions of you
Alone in my bed
I can smell the perfume
Get out of my head

These visions of you
It's all i can see
Tell me truth
Are you thinking of me?
I'm getting visions of you
I'm getting visions of you
Alone in my bed
I can smell the perfume
Get out of my head
These visions of you
It's all i can see
Tell me truth
Are you thinking of me?
I'm getting visions of you
Visions of you
Visions of you
Visions of you
I'm getting visions of you
I'm getting visions of you
Alone in my bed
I can smell the perfume
Get out of my head
These visions of you
It's all i can see
Tell me truth
Are you thinking of me?
I'm getting visions of you
