

# Eventually (Covered by Pepa Knight)

## Tame Impala

If only there could be another way to do this  
Cause it feels like murder to put your heart through this  
I know I always said that I could never hurt you  
Well this is the very, very last time I'm ever going to But I know that I'll be happier  
And I know you will too  
Said, "I know that I'll be happier  
And I know you will too  
Eventually  
Eventually" Wish I could turn you back into a stranger  
Cause if I was never in your life, you wouldn't have to change this But I know that I'll be happier  
And I know you will too  
Said, "I know that I'll be happier  
And I know you will too  
Eventually  
Eventually"
