

# On My Honor

## Donna Summer

Here I am on my own again the days rush by  
The nights all seems so slow  
Guess I've let you down in my way, somehow  
If you take me back I know we'll make it  
We'll make a promise and then break it  
On my honor I will try, always do the best I can  
Though the tears may fall like raindrops  
From your eyes, honey  
On my honor I will try  
If you want me to be strong, give it everything I have  
You'll never have to worry  
We're not in a hurry  
On my honor I will try  
It's a lover's dance in a fiery chant  
Don't be afraid to face the music, now

It's a gambler's chance not a lost romance  
And I'm not you and you're not me  
And sometimes we feel differently  
On my honor I will try, always do the best I can  
Though the tears may fall like raindrops  
From your eyes honey  
On my honor I will try  
If you want me to be strong, give it everything I have  
You'll never have to worry  
'Cause we're not in a hurry  
On my honor I will try  
I'll try  
I will try  
I'll try
