Fly Swat

Chris Crocker

Ahem
Attention please
We've got them haters in here
That think that talking a bunch of mess
Make them look big bad
I'm gonna just get my fly swat
Buzzin' like a bee but you're stingin' like a fly
I'm gonna fly swat'cha
F-f-f-fly swat'cha
Buzzin' like a bee but you're stingin' like a fly
I'm gonna fly swat'cha
F-f-f-fly swat'cha
You know when a bitch is fuckin' harmless
but have the nerve to fuckin' start shit
who the fuck you think, you think you're fooling fool?
You the muthafuckin' nuckin' fool ya foo-oo-ool
Hope your insurance covers shit talkin'
'Cause I'm bout to w-w-w-w-watch your talkin'
If you had sense you, you, you'd be runnin'
If you don't stop that buzzin' buzzin'
Flies up in here
Buzzin' in my ear
You ain't provin' nothing
When you're callin' me a queer
We got flies up in here
They're buzzin' in my ear
I'm gonna fly swat'em
Fly swat'em
(Buzzin' like a bee but you're stingin' like a fly)
I'm gonna fly swat'cha
F-f-f-fly swat'cha
(Buzzin' like a bee but you're stingin' like a fly)
I'm gonna fly swat'cha
F-f-f-fly swat'cha
Just because I'm feminine like Dolly Parton
Doesn't mean you won't get hit
When the wig comes off and
Who the fuck you think, you think your foolin' fool?
I'm muthafuckin' nuckin' fool proof

Go ahead and start your b-b-barkin'
A bitch like you needs an electric collar
You're worthless

You're worthless garbage
Yeah your life
You couldn't even pawn it
Flies up in here
Buzzin' in my ear
You ain't provin' nothing
When you're callin' me a queer
We got flies up in here
They're buzzin' in my ear
I'm gonna fly swat'em
Fly swat'em
(Buzzin' like a bee but you're stingin' like a fly)
I'm gonna fly swat'cha
F-f-f-fly swat'cha
(Buzzin' like a bee but you're stingin' like a fly)
I'm gonna fly swat'cha
F-f-f-fly swat'cha
Let me get my fly swat
When CC's about to terminate
Anybody who I think is fake
Get a grip bitch, I'm the best
Look in the mirror fly, how grotesque
Flies up in here
Buzzin' in my ear
You ain't provin' nothing
When you're callin' me a queer
We got flies up in here
They're buzzin' in my ear
I'm gonna fly swat'em
Fly swat'em
(Buzzin' like a bee but you're stingin' like a fly)
I'm gonna fly swat'cha
F-f-f-fly swat'cha
(Buzzin' like a bee but you're stingin' like a fly)
I'm gonna fly swat'cha
F-f-f-fly swat'cha
You need to mind your bizz-ness
And buzz off
You need to fly away you little pest
Let me put this bitch in a coffin
Let me get my fly swat
