Waste Your Time

Ex Hex

I don?t wanna waste your time
You keep talking to me, I might change my mind
There are colors that you can?t see
I wanna say to you so naturally
I don?t wanna hang out with anyone else
So why you wanna hide behind yourself?
If you?re really mother nature?s son
Shining Perpetual Sound on everyone
Well, I don?t wanna let you down
I just wanna dance, wanna dance, wanna dance now
You got all dressed up but there was nowhere to go
When the cops shut down our rainbow
I just wanna be your mirror
There are colors that you can hear
