## Rudyard Fearon

Maze

Show me the road  
My brothers followed,  
For I too, a thought,  
Is lost in your maze.

The road is dark  
And littered with bones.  
Tell me: Did Martin Luther King  
Follow this road?  
Did Steve Biko  
Follow this road?

Show me the road  
And let me follow:  
Thump thump thump...

Massa, are you following too?
