

Forever

Heavenly Beat

living uncertain
revealing an offer
it only makes sense
that you'd want some answers
ay yeah, when I hardly listen to reason
my only thoughts are how to
keep you from leaving
can't remember a time
when I didn't feel awful
but I guess being awful
begets being awful
ay yeah, when I hardly listen to reason
my only thoughts are how to
keep you from leaving
it's so hard
believing
there's nothing more
I could do
Forever
a long time
to spend hurting for you
