

# Seven Sails

## Lamb

Ever had a month high?  
Seven sails across the sky  
In a journey too deep  
Of a million years sleep This the sweetest flow  
Heart and heaven know And when feet are on earth  
What we've learnt since this birth  
Sometimes we become weighed  
In the tracks that we've laid  
This the sweetest flow  
Heart and heaven know
