Strutter

Masacre

I know a thing or two about her
I know she'll only make you cry
She'll let you walk the street beside her
But when she wants she'll pass you byEverybody said she's lookin' good
And the lady knows it's understood
StrutterShe wears her satin like a lady
She gets her way just like a child
You take her home and she says "maybe, baby"
She takes you down and drives you wildEverybody said she's lookin' good
And the lady knows it's understood
StrutterI know a thing or two about her
I know she'll only make you cry
She'll let you walk the street beside her
But when she wants, she'll pass you byEverybody said she's lookin' good, and the lady knows it's understood
Strutter - I know she'll just make you cry
Strutter - look out, that girl will just pass you by
Strutter - whoa oh, she gets her way like a child
Strutter - mama, that girl will just drive you wildStrutter
