Dance with U

RuPaul

[Verse 1:]
Take my hand, I got a place for you
Out on the dance floor
One more time, I wanna rendezvous
Out on the dance floor[Pre-Chorus:]
Feel the night
In a fall from time
As I, lose my mind to you, again
If I ever said goodbye
I would, lose my mind to you, again
Turn the lights, down, now
Turn the music, loud
(I wanna dance)
Lights down, now
Turn the music, loud
(I wanna dance)[Chorus x2:]
I wanna dance dance
I wanna dance dance
I wanna dance dance
(Dance with you)
I wanna dance dance
I wanna dance dance
I wanna dance dance
(Dance with you)[Verse 2:]
Dont forget, I think I always knew,
Out on dance floor,
Can't nobody move the way you do,
Out on the dance floor
[Pre-Chorus:]
Feel the night
In a fall from time
As I, lose my mind to you, again
If I ever said goodbye
I would, lose my mind to you, again
Turn the lights, down, now
Turn the music, loud
(I wanna dance)
Lights down, now
Turn the music, loud

(I wanna dance)[Chorus x4:]
I wanna dance dance
I wanna dance dance
I wanna dance dance
(Dance with you)
I wanna dance dance
I wanna dance dance
I wanna dance dance
(Dance with you)
Gonna take the ride,
Gonna take a ride and dance with you,
Gonna take the ride,
Gonna take the ride and ride and ride
Gonna take the ride,
Gonna take a ride and dance with you,
Gonna take the ride,
Gonna take the ride and ride and ride.[Pre-Chorus:]
Turn the lights, down, now
Turn the music, loud
(I wanna dance)
Lights down, now
Turn the music, loud
(I wanna dance)[Chorus x4:]
I wanna dance dance
I wanna dance dance
I wanna dance dance
(Dance with you)
I wanna dance dance
I wanna dance dance
I wanna dance dance
(Dance with you)
