# Old Skool Love (Remix)

## Divine Brown

It's funny how memories
Keep bringing you back to me
Just when I started to get myself together again
Thoughts of you come creeping in
Met at a party in June
Wasn't really tryin' to notice you
You looked at me with your sweet brown eyes
You walked up and said "Hi"
Who would have known
That a love affair like ours would grow
Then slip awayStill miss that old skool love
Not quite that do-right love
Your love was fine, never old time
You're steady on my mind
Still miss that old skool love
I don't want you back
But I'll never ever love the same way againNow here I am startin' over with a new love
He's a real man with a good heart
He's more than enough, laid back and smooth
With a warm and gentle touch
Near or far, his love is never, never too far
(There I go again)
Thinkin' about your lips when I'm kissing him
(There you go again)
Throwin' me back, makin' me reminisce
And I know it's wrong, me holding on
Thank you for being the one that IStill miss that old skool love
Not quite that do-right love
Your love was fine, never old time
You're steady on my mind
Still miss that old skool love
I don't want you back
But I'll never ever love the same way againDidn't ya tell me that ya never tell me lies
And didn't ya tell me that you'd never say goodbye
All of my heart, you tore it apart
Lord knows, your memory still remains
All that I know, just can't let go
Still miss thatStill miss that old skool love
Not quite that do-right love

Your love was fine, never old time
You're steady on my mind
Still miss that old skool love
I don't want you back
But I'll never ever love the same way againI don't want you back, no no
I don't want you back
But I'll never ever love the same way again
