Fallin' For You

Eva Avila

I'm falling for you
I'm falling for you
I'm falling for youI got a sweet obsession
You have captured my attention
How am I gon' get me through the day?I tried to get you out my mind
But damn, you creep in every time
Oh boy, I never thought I'd feel this way'Cause you got my head a-spinning just like a carousel
Thinking of you every minute, I know it's crazy but true
I'm fa-la-la-la-falling for you, yeahKind of like a constant craving, I'm underneath your spell
Baby, there ain't no escaping, I know it's crazy but true
Fa-la-la-la-falling for youWhy'd you have to touch me like you do?
You know there's no resisting you
I feel a shiver every timeI'm saying whoa, baby, what you doing to me?
Out of control and it's taking over me
Gotta let you know I ain't gonna give up till you're mine'Cause you got my head a-spinning just like a carousel
Thinking of you every minute, I know it's crazy but true
I'm fa-la-la-la-falling for you, yeahKind of like a constant craving, I'm underneath your spell
Baby, there ain't no escaping, I know it's crazy but true
Fa-la-la-la-falling for youYou got me falling for you, baby
And I don't know what I'm gon' do
You got me crawling, I'm falling, falling, falling for youYou got me falling for you, baby
And I don't know what I'm gon' do
You got me crawling, I'm falling, falling, falling for you'Cause you got my head a-spinning just like a carousel
Thinking of you every minute, I know it's crazy but true
I'm fa-la-la-la-falling for you, yeahKind of like a constant craving, I'm underneath your spell
Baby, there ain't no escaping, I know it's crazy but true
Fa-la-la-la-falling for youYou got me falling for you, baby
And I don't know what I'm gon' do
You got me crawling, I'm falling, falling, falling for youYou got me falling for you, baby
And I don't know what I'm gon' do
You got me crawling, I'm falling, falling, falling for youI'm falling for you
I'm falling for you
