

# Dog Shelter (Halbwome Bootleg)

## Burial

Maze, psychopathic daze, I create this waste  
Back away from tangents on the verge of drastic ways  
Can't escape this place, I deny your face  
Sweat gets in my eyes, I think I'm slowly dying  
Put me in a homemade cellar  
Put me in a hole for shelter  
Someone hear me please, all I see is hate  
I can hardly breathe and I can hardly take it  
Hands on my face over bearing, I can't get out  
Lost, ran at my own cost hearing laughter, scoffed  
Learning from the rush, detached from such  
And such bleak all around me, weak listening, incomplete  
I am not a dog but I'm the one your dogging  
I am in a buried kennel, I have never felt so final  
Someone find me please, losing all reserve  
I am fucking gone, I think I'm fucking dying  
You all stare but you'll never see  
There is something inside me  
There is something in you I despise  
Cut me, show me, enter  
I am willing and able and never any danger to myself  
Knowledge in my pain, knowledge in my pain  
Or was my tolerance a phase?  
Empathy, out of my way, I can't die, purity
