

# Taxicab Messiah

## Kidneythieves

My god loved the whores and babies  
My god never noticed a sin  
My god grew and killed the daises  
My god threw the towel in  
My god is weird, my god is scared, my god paints a pretty picture  
My god is weird, my god is scared, my god paints a pretty picture of fear  
He's driving  
He's driving in gear. One day got sick of hailing Mary's  
Hailed you, got the door and slid on in  
Told me you were good at fortune telling  
Said too much, threw the towel in  
Paid for my ride  
Told him we could take the long way  
Held on to everything he said  
Wanted insight or an answer  
Pointed the rear-view at my head  
All in all, what does it mean?
