

He's Holding On to Me

April Verch

I try again
For one more day
Seems to be no other way
I hold on to the past we had
Wishing you be here one dayAll these days
All this time
I have been waiting
To see your faceHolding on
All these long nights
I have been awake
Through all alone
All these days, all this time
Nothing breaks the silence here
Nothing makes the pain so clear
I hold on to what I have left
Wishing you be here one dayAll these days
All this time
I have been waiting
To see your faceHolding on all these long nights
I have been awake through all alone
Someone tell me I'm dreaming
I just wanna live
Someone tell me I'm dreaming
I can't go on
(All this pain)
I try again seems to be no other way
(All this time)
So far away without you
Wishing you be here one dayAll these days, all this time (all this time)
I have been waiting
To see your face
Holding on all these long nights (all this time)
I have been waiting through all alone
All these days, all this time
