I'm Alive

Tom Jones

I'm alive and I'm seeing things mighty clear today, I'm alive
I'm alive and I'm sitting here and doing my thing, I'm alive
And I'm real, I can breathe and touch and see and feel, I'm alive
I'm a man, I don't care if I'm right or wrong, I'm a manNa, na, na, na, na, na, na, na man and I'm red and yellow, I'm black, I'm tan, I'm a man
