Getting Over You for Good

Scott Dawson

It seems you're back within these arms
Yet again
But something tells me nothing's
Really changed
You're sorry for the pain you caused
When you walked out
And dropped the pieces of my heart
On the ground

But this time I'm getting over you for good
I'll make it clear for the world to hear
So I hope it's understood
Cause last time I cried
Like I never thought I could
Oh this time I'm getting over you for good

And just because we shared the night
Oh doesn't mean
A romance lost is once again
Brand new
So please forgive me
If these words appear as rude
But this time I'm getting over you for good
