

Witchy Woman

[Kristin Chenoweth](#)

Raven hair and ruby lips
Sparks fly from her finger tips
Echoed voices in the night
She's a restless spirit on an endless flightWoo hoo witchy woman, see how high she flies
Woo hoo witchy woman she got the moon in her eyeShe held me spellbound in the night
Dancing shadows and firelight
Crazy laughter in another room
And she drove herself to madness with a silver spoonWoo hoo witchy woman see how high she flies
Woo hoo witchy woman she got the moon in her eyeI know you want a lover, let me tell your brother
She's been sleeping in the Devil's bed
There's some rumors going round, someone's underground
She can rock you in the nighttime 'til your skin turns redWoo hoo witchy woman, see how high she flies
Woo hoo witchy woman, she got the moon in her eye
