Maybe

Jed Madela

There I was
Waiting for a chance
Hoping that you'll understand
The things I wanna sayAs my love went stronger than before
I wanna see you more and more
But you closed your doorWhy don't you try to open up your heart
I won't take so much of your timeMaybe, it's wrong to say please love me too
'Cause I know you'll never do
Somebody else is waiting there inside for you
Maybe it's wrong to love you more each day
'Cause I know he's here to stay
But I know to whom you should belong
I believed what you said to me
We should set each other free
That's how you want it to beBut my love went stronger than before
I wanna see you more and more
But you closed your doorWhy don't you try to open up your heart
I won't take so much of your timeMaybe, it's wrong to say please love me too
'Cause I know you'll never do
Somebody else is waiting there inside for you
Maybe it's wrong to love you more each day
'Cause I know he's here to stay
But my love is strong
I don't know if this is wrong
But I know to whom you should belong
Maybe, it's wrong to say please love me too
'Cause I know you'll never do
Somebody else is waiting there inside for you
Maybe it's wrong to love you more each day
'Cause I know he's here to stay
But my love is strong
I don't know if this is wrong
But I know to whom you should belong
