

Move On

The Boxer Rebellion

Rip up the proof
Rip up the proof
Rip up the proofBefore the damage is done
Damage is done
Damage is done
Damage isDon't stop talking when no one's listening
What you want
What you want
What you wantRed eyes are worth thin
You're thrown off the deep end
Gone under
Gone underYou know your place
Look for the quick escape
You know your place
Look for the quick escapeRip up the proof
Rip up the proof
Rip up the proofBefore the damage is done
Damage is done
Damage is done
Damage isJudgment your false sense
You go on the defense
You don't want
You don't wantYou know your place
Look for the quick escape
You know your place
Look for the quick escapeMove on
Move on
Move on
Move onMove on
Move on
Move on
Move onMove on
