Move On

The Boxer Rebellion

Rip up the proof

Rip up the proof

Rip up the proofBefore the damage is done

Damage is done

Damage is done

Damage isDon't stop talking when no one's listening

What you want

What you want

What you wantRed eyes are worth thin

You're thrown off the deep end

Gone under

Gone underYou know your place

Look for the quick escape

You know your place

Look for the quick escapeRip up the proof

Rip up the proof

Rip up the proofBefore the damage is done

Damage is done

Damage is done

Damage is Judgment your false sense

You go on the defense

You don't want

You don't wantYou know your place

Look for the quick escape

You know your place

Look for the quick escapeMove on

Move on

Move on

Move on Move on

Move on

Move on Move on
