

# Newborn

## Plasma Corp.

I'll be the corpse in your bathtub  
Useless  
I'll be as deaf as a post  
If you hold me like a newborn  
Newborn  
Whisper what you feel My badly strung declaration  
To you  
You'll spend the end of your days  
Gently smiling like a newborn  
Newborn  
Whisper what you feel My badly strung declaration  
To you  
You'll spend the end of your days  
Gently smiling like a newborn  
Newborn  
Loves not by degrees Press your lips  
To my eyes  
Taste my tears  
On your tongue  
Pull the blinds  
Play our song  
Nothings changed  
Nothing could be wrong Scream in the night  
Kick and strike  
Like a newborn  
Holdin' me shakin'  
Awake in the dark All of these promises  
Kept and unbroken  
Tracin' the scars  
Tracin' the scars Even and cold  
As we both become older  
Your arms bound about me  
The hush in your voice  
The warmth of your fingers  
Entwined around mine  
In the eve of our lives  
Never a choice
