

Siamese Almeida (Drink Me)

Queen Adreena

can i show you this state of mind
for it is not mine
can i not show you this state of mind
for she is not mine
i will not entertain this state of mind
for it is not mine
i will not entertain you
for it is not mine
siamese almeida
siamese almeida, ooh
siamese almeida
siamese almeida, ooh
i will not undo these twisted bones and sinew
i will not look to find who lives in you
i will not hold my hand on fire
take it off my head
i will not entertain this state of mind
for she is not mine
siamese almeida
siamese almeida, ooh
siamese almeida
siamese almeida, ooh
i will not change my ways to suit this day
i will not change my face
i'll hide it from you
all twisted bones and sinew
i will not change what's in you
i will not change for you
i will not change what i hate in you!
all twisted bones and sinew...
i will not change what's in you
i will not change what's in you!
siamese almeida
siamese almeida, ooh
siamese almeida
siamese almeida, ooh
siamese almeida
siamese almeida, ooh
siamese almeida

siamese almeida, ooh
