Breaking Glass

David Bowie

Someone told me "you're never gonna win"
Fool's paradise is where I've always been
So I told myself "i've got a heart of stone"
Not that strong I said, can't do it all aloneTell me your dreams and I'll tell you what they mean
Cos we live, we love, we learnYou can't touch me
You can't hold me
Loving me through your window panes
But I can reach you
I can see you
Trying to hide your love away
We can be breaking glass togetherSomeone told me, "you gotta let it go"
A little weakness is strength don't ya know
So I tell myself "feelin' left today"
I won't lose to the pain of yesterdayTell me your dreams and I'll tell you what they mean
Cos we live, we love, we learn
(cos we live, we love, we learn)You can't touch me
You can't hold me
Loving me through your window panes
But I can reach you
I can see you
Trying to hide your love away
We can be breaking glass together(together, together)I love the sound of breaking glass
(I love the sound of breaking glass)
I love the sound of breaking glass
(I love the sound of breaking glass)
I love the sound of breaking glass
(I love the sound of breaking glass)You can't touch me
You can't hold me
I can reach you
I can see you
