# Black Heart

## Chimaira

Black heart, dead soul
Apathy and misery
Loss of control
Any of the above would describe meI hate being inhuman
All I do is fuck everything up
Someone just please put a gun to my headI just don't care anymore
I'm broken, tired and sore
I just don't care anymore
From my black heartFaceless humans
Just want to get inside me
Shut down long ago
Not even the closest know meLike a leper, everything I touch
Rots, dies, then turns to dust
Everyone should just stay away from meI just don't care anymore
I'm broken, tired and sore
I just don't care anymore
From my black heartI just don't care anymore
I'm broken, tired and sore
I just don't care anymore
From my black heart
From my black heart
