

Autumn Leaves

Ed Sheeran

[Verse 1]

Another day another life

Passes by just like mine

It's not complicated

Another mind

Another soul

Another body to grow old

It's not complicated[Chorus]

Do you ever wonder if the stars shine out for you?

Float down

Like autumn leaves

And hush now

Close your eyes before the sleep

And you're miles away

And yesterday you were here with me[Verse 2]

Another tear

Another cry

Another place for us to die

It's not complicated

Another love that's gone to waste

Another light lost from your face

It's complicated[Chorus]

Is it that it's over or do birds still sing for you?

Float down

Like autumn leaves

And hush now

Close your eyes before the sleep

And you're miles away

And yesterday you were here with me[Bridge]

Ooh how I miss you

My symphony played the song that carried you out

And ooh how I miss you

And I miss you and I wish you'd stay

Do you ever wonder if the stars shine out for you?

Float down

Like autumn leaves

And hush now

Close your eyes before the sleep

And you're miles away

And yesterday you were here with me
Mhhh, mhhh, mhhh, mhhh[Outro]
Touch down
Like a seven four seven
Stay out and we'll live forever now
