

4 Ever No More

Jesse Boykins III

I found the width emotion
Had the notion that your potion was poison to me
Was poisoning me
Reoccurring tragedies
Shakespeared my heart, my hearts
Why oh why would I even consider that your tale was true
That your tales were true
Estimated guessing led me wrong
Right from the start
You play, I play
You left, I stayed
Now we can't be
Forever no more
No more
You play, I play
You left, I stayed
So we can't be
Forever no more
No more
Misconstrued I knew what lose you other sense today
You Bamboozled me
You Bamboozled we
Over time you called
It lead me lost
It lead me lost
Never was too clever but for would you ever own the weather
Through the tsunamis
Through the tsunamis
I will take your palm and replay
Where we belong Now we can't be (no more) No more...
