

This Is The Last Time (Live Fr

Keane

This is the last time
That I will say these words
I remember the first time
The first of many lies
Sweep it into the corner
Or hide it under the bed
Say these things they go away
But they never doSomething I wasn't sure of
But I was in the middle of
Something I forget now
But I've seen too little ofThe last time
You fall on me for anything you like
Your one last line
You fall on me for anything you like
And years make everything alright
You fall on me for anything you like
And I, no I don't mindThis is the last time
That I will show my face
One last tender lie and
Then I'm out of this place
So tread it into the carpet
Or hide it under the stairs
Just say that some things never die
Well I tried and I triedSomething I wasn't sure of
But I was in the middle of
Something I forget now
But I've seen too little ofThe last time
You fall on me for anything you like
Your one last line
You fall on me for anything you like
And years make everything alright
You fall on me for anything you like
And I, no I don't mindThe last time
You fall on me for anything you like
Your one last line
You fall on me for anything you like
And years make everything alright
You fall on me for anything you like

And I, no I don't mind
