My Love Song

Fiso

I'm gonna sing you a love song
I want you to know it's for real
I want you to be true to me, and our love could last forever.

I find it so important, that I write a song for you.
To remind me of the love that you truly gave to me (ohh)
I hope you'll understand (ohh baby) the reason why I do
I want to be true,(I want to be true) truly in love with you (with you)

I'm gonna sing you a love song
I want you to know it's for real
I want you to be true to me and our love could last forever

I need nobody else
To take control of you
As long as I'm alive, I'm gonna take care of you
I need nobody else
To take control of you
As long as I'm alive (as long as I'm alive)
I'm gonna take care of you

I'm gonna sing you a love song
I want you to know it's for real
I want you to be true to me
And our love could last forever
I'm gonna sing you a song
I want you to know it's for real
I want you to be true to me
And our love could last forever
I'm gonna sing you my love song
I want you to know it's for real
I want you to be true to me
And our love could last forever.
