What If

Jason Derulo

What if?
What if I'm the one for you?
And you're the one for me?
What if?
If you are the one
Then us meeting here is fate
Future with a dog named Red
Buy a house with a fireplace
This is the first I've seen your face
But there's a chance we are soul mates
I know that this might sound crazy
'Cause you don't know my name
But we can't, we can't tell the future, no
But that's just the beauty of the world we know
So I'ma say du, du, du-du, du-du, du-du, baby, what if?
We all can say du, du, du-du, du-du, du-du, baby, what if?
What if? What if? What if?
What if? What if? What if?
Yeah, picture me on one knee
With the perfect diamond ring
We just met but if you said yes
We'd have our wedding on the beach

It could happen, raise three kids
And we grow old oh, so happily
I know this may sound crazy
'Cause I don't know your name
But we can't, we can't tell the future, no
But that's just the beauty of the world we know
So I'ma say du, du, du-du, du-du, du-du, baby, what if?
We all can say du, du, du-du, du-du, du-du, baby, what if?
Don't know what tomorrow brings
But I'm still hoping that you are the one for me
Oh, and what if I had you and what if you had me
And, baby, what's the reason we can't fall in love?
What if? What if? What if?
What if? What if?
But we can't, we can't tell the future, no
But that's just the beauty of the world we know

So I'ma say du, du, du-du, du-du, du-du, baby, what if?
We all can say du, du, du-du, du-du, du-du, baby, what if?
But we can't, we can't tell the future, no
But that's just the beauty of the world we know
So I'ma say du, du, du-du, du-du, du-du, baby, what if?
We all can say du, du, du-du, du-du, du-du, baby, what if?
