

# Deeper Than A River

[Olivia Newton-john](#)

Some people search a lifetime  
For a love to stand the test of time  
But you don't have to worry  
You've got someone  
Who will always be right by your side Oh oh  
I've got a love  
Got a love that won't end  
Here in my heart, baby  
I've got a love So deep, deeper than a river  
So high, higher than any mountain  
So strong, strong enough to last for all time  
This love is running  
So deep, deeper than a river  
High in the run  
This love is, this love is  
This love is deeper than a river, yeah Oh  
(Deeper)  
Just like a tree that stands tall  
(Darling)  
Darling I'll stand by you through it all  
(Through it all)  
There's nothin' gonna stop me from loving you  
I will always be right by your side Oh, oh  
You've got a love, got a love for all time  
Here in my arms, baby  
I've got a love, got a love that won't die  
Here in my heart, baby  
I've got a love So deep, deeper than a river  
So high, higher than any mountain  
So strong, strong enough to last for all time  
(Strong)  
This love is running  
So deep, deeper than a river  
It goes on and on, yeah  
This love is, this love is  
This love is deeper than a river, yeah Like a river needs the sea  
I need you with me  
Every minute of my life, oh yeah  
And like the sunlight needs the sky

I need you by my side  
This love of mine  
Is so deep, baby  
Is so deep, baby  
Ooh, ooh, ooh  
So deep, baby  
Ooh, aahI've got a love  
So deep, deeper than a river  
It goes on and on and on and on, yeah  
This love is, this love is  
(You know, love is deeper than a river)  
So deep, deeper than a river  
Yeah  
So high, higher than any mountain  
(So high)  
So strong  
So strong, strong enough to last for all time  
Oh  
This love is running  
So deep, deeper than a river  
(So deep)  
It goes on and on, yeah  
This love is, this love is  
This love is deeper than a river  
Deeper than a river  
(Hey, hey, hey)  
This love is  
Higher than any mountain  
This love is
