

# Love

## Debra Killings

Making foot tracks in the sand  
Always asking for a hand - is that you?  
All the things you look hard to find  
Never ever give you piece of mind - is that you?  
You seem to live your life in the past  
Cause you're trying hard to make it last - yes I know  
All the things you work so hard to do  
Never ever come through for you.Bridge:  
Sometimes you gotta look away from it all  
And sometimes you gotta stand at ten feet tall  
And it make take a little while before you know  
How to let it showChorus:  
All you need is love  
So give a little love  
And you'll get a little love  
Cause all we need is loveEvery torn page in your life  
crying out all through the night - cause you're hurt  
Now you're reaping what you've sown for  
Way back then or long ago - and it's hard  
Now you're like a baby in his mother's arms  
Since you realize God can keep you safe from harm  
It tells you melodies inside of you  
Given chance they'll make it through for you(Bridge)(Chorus 1x)Give a little love - yeah  
You'll get a little love - yeah  
Cause all we need is love - yeah yeah yeah  
Now give a little love - yesLove----Love----Ooh  
Love-----get a little love..OOhAll we need is love (somebody listening)  
Give a little love  
You'll get a little love love love love love love love  
Yeah  
Love----love----yeah
