Are You Ready

Milca

Are you ready?
Are you ready?
Are you ready?
Are you ready?
Are you ready?
Are you ready?
Are you ready?
Are you ready?
Every day I wait just to see your face
When I get off the work, hem check-ins at lunchtime
What we do in the night is on you, it?s your night
Cause that chance is set up cause we don?t.
Now my beat up
It?s good to know how I feel without you
And I don?t know why I can?t get love
You bless me with that magic touch
I just rhyme to the beat like (uh)
And I?mma do that body like (uh)
Put your legs in the V like (uh)
Oh She doesn?t let go
Are you ready for this?
Are you ready for this loving I?m gonna give?
Are you ready?
Are you ready for this lovin I?m gonna give?
Can?t wait to give it to you
I?m gonna give it to you
Uh give it to you
Girl, I?mma give it to you
Can?t wait to give it to you
I?m gonna give it to you
Uh give it to you

Girl, I?mma give it to you
The noise that you make when you?re screaming my name
Saying uh daddy, it?s yours
Makes me want it even more
I be yearning for more when I walk through the door
And I see your silhouette
I?m bout to get wet

You?re supposed to know
How I feel bout you
And I don?t know why I can?t get enough
Bless me with that magic touch
I just rhyme to the beat like (uh)
And I?mma do that body like (uh)
Put your legs in the V like (uh)
Oh She doesn?t let go
Are you ready for this?
Are you ready for this loving I?m gonna give?
Are you ready?
Are you ready for this lovin I?m gonna give?
Can?t wait to give it to you
I?m gonna give it to you
Uh give it to you
Girl, I?mma give it to you
Can?t wait to give it to you
I?m gonna give it to you
Uh give it to you
Girl, I?mma give it to you
I?m gonna give it to you
I?m gonna give it to you
I?m gonna give
I?m gonna give it to you
