

# Young Nigga

## Spice 1

Y'all ready to do this shit? Bust  
When I was young, I had the lust to pull the trigger  
And make change out a five dollar ass, nigga  
And as time went on, I gained much love  
But seein' niggas', guts bust at a nightclub  
Too young to get my ass in but they didn't trip  
'Cause if I didn't get in, they knew I'd start shit  
So I was treated like the muthafuckin' Pope  
Security see me, so they scope  
And follow me around like a flock of hoes  
I had a squab with a bitch with a big ass nose  
I started to knock the bitch out but before I could  
I'm stopped short by a redneck peckerwood  
But he was slow, with the other hand slapped the hoe  
Then security rushed us out the backdo'  
So when I grabbed the nine, they thought I'd go nuts  
I'd roll by and bust caps at the grownup's  
Young nigga, got bold and got the liquor  
As a young, yeah  
He said, "Young ass, nigga"  
You dumb nigga, you  
He said, "Young ass, nigga"  
You dumb nigga, you  
He said, "Young ass, nigga"  
You dumb nigga, you  
He said, "Young ass, nigga"  
Well, what do you know, it's summer time  
And every young nigga my age, is on the grind  
Workin' for the city  
A drugstore on every goddamn corner and niggas actin' shitty  
About who sell, where and whose dope is it  
So, some niggas around the block, they paid us a visit  
But we ain't comin' off shit but a drive by  
I guess they wanna expand to go city wide  
So we hung muthafuckas by the barbed wire  
Whoever was a snitch or bitch or liar  
And five O is gettin' kinda dense  
'Cause the wire was missin' from a county jail fence  
Breakin' off boulders  
And the niggas from around the block, they said they told us  
Not to short stop, so my nigga got popped  
I looked down and I'm shocked  
To see him layin' dead by the bushes  
As a young nigga  
He said, "Young ass, nigga"  
You dumb nigga, you  
He said, "Young ass, nigga"  
You dumb nigga, you  
He said, "Young ass, nigga"  
You dumb nigga, you  
He said, "Young ass, nigga"  
You dumb nigga, you  
Shit is gettin' hectic, my mission had to flow smooth

We hit the corner in a sixty-five old school  
Bustin' at niggas twice my age  
Muthafuckas catchin' heat from my guageThey tried to shoot back but it ain't like that  
'Cause I'm the nigga with the biggest gat  
Hoes get fucked and eat the bullet  
'Cause the trigger that got my nigga, one of them had to pull itMy nigga with the nine said, "Forget it"  
But I seen a nigga point his finger and say, "He did it"  
I loaded up the clip and shot him in the dick  
And kept on bustin' till his leg kickedNow we Audi 5000, gee  
The glasspacks on the sixty-five, got noisy  
We had to smash  
'Cause five O was right behind our assWe had to get away, we dumped the A.K.  
And the guage in the bushes on the way  
The cops kept bustin', niggas kept cussin'  
About which way to go fussin'We hit the corner and they bust  
At some niggas lookin' just like us  
We knew it was about that time  
Hopped out my homeboy's shit and into mineWe got away because they couldn't figure  
Which one of the boys was that young niggaHe said, "Young ass, nigga"  
You dumb nigga, you  
He said, "Young ass, nigga"  
You dumb nigga, youHe said, "Young ass, nigga"  
You dumb nigga, you  
He said, "Young ass, nigga"  
You dumb nigga, youHe said, "Young ass, nigga"  
You dumb nigga, you  
He said, "Young ass, nigga"  
You dumb nigga, you
