

# Spell I'm Under

## Winger

Woman, never before  
Without a word, I hear so much  
Woman, under the spell  
Every sin holy in your touch It's all I feel, it's all I see  
And all I know is it must be you  
You're the spell I'm under  
It must be you  
You're the spell I'm under Woman, how deep can I go?  
Every inch born a new obsession  
Woman, how did you know?  
That I couldn't have helped myself from comin' closer To the oracle of faith taboo  
All my temptation hooked on you  
You're the spell I'm under  
I know it must be you  
You're the spell I'm under Feels like a drug  
My will revealed in your spell  
I remember You're all I feel, you're all I see  
Revolving in the need for you  
You're the spell I'm under  
I know it must be you  
You're the spell I'm under Feels like a drug from long  
You're the spell I'm under  
Feels like a drug  
Feels like a drug  
Didn't take very long
