

# Cry In My Heart

## Starfield

There's a cry in my heart for Your glory to fall  
For Your presence to fill up my senses  
There's a yearning again, a thirst for discipline  
A hunger for things that are deeper Could You take me beyond?  
Could You carry me through?  
If I open my heart?  
Could I go there with You? For what do I have if I don't have You, Jesus?  
What in this life, could mean anymore?  
You are my rock, You are my glory  
You are the lifter of my head  
Lifter of this head There's a cry in my heart for Your glory to fall  
For Your presence to fill up my senses  
There's a yearning again, a thirst for discipline  
A hunger for things that are deeper Could You take me beyond?  
Could You carry me through?  
If I open my heart?  
Could I go there with You? For I've been here before  
But I know there's still more  
Oh, Lord, I need to know You For what do I have if I don't have You, Jesus?  
What in this life, could mean anymore?  
You are my rock, You are my glory  
You are the lifter of my head What do I have if I don't have You, Jesus?  
What in this life, could mean anymore?  
You are my rock, You are my glory  
You are the lifter of my head  
Lifter of this head
