What A Number

Inara George

What a number
Like the rest of them
How can you bear
What everyone is bearing?I want for you to want
To vaporize them
Start with nothing
Do you recognize?I'm lying in a lake alive
Living out someone else's life
I could be wrong
I could be right
For the rest of timeIn the basement
Like in the old days
Under the covers
Under the coveringLike a governor
In the old days
You keep me handled
Never letting onI'm lying in a lake alive
Living out someone else's life
I could be wrong
I could be rightI want a big surprise
I want a remedy
I want a big surprise
I want a remedy
I want a big surprise
I want a remedyI'm lying in a lake alive
Living out someone else's life
I could be wrong
I could be rightYoure outnumbered
Like the rest of them
How can you bear
What everyone is bearing?Want for you to want
To vaporize them
Start with nothing
Do you recognize?I'm lying in a lake alive
Living out someone else's life
I could be wrong
I could be rightI want a big surprise
I want a remedy
I want a big surprise

I want a remedy
I want a big surprise
I want a remedy
