

# Honeymoon In San Francisco

## Of Montreal

Honeymoon in San Francisco, what a grand idea  
We'll rent a room in a four-star hotel  
We'll spend the whole time drunk on champagne and lime  
We'll never feel the need to get out of bed

Though on occasion we'll charter a boat  
Sail off to a distant island  
Once there we'll take off our shoes  
And relax beneath the sun

We won't care if we lose our minds  
We won't care if we live or die  
We'll spend the whole time drunk on champagne and lime  
We won't care if we lose our minds
