

This One Hour

Mickey Hart

On top of the hill
I hear echoes in the starlight
Sweet voices from my past
Return in the nightThe darkness is so vast
Slender moon like a smile
A thin teardrop of glass
I watch it awhileMy heart has flown away
With the wind so mild
It carries me, carries me to play
Just like a childFor this one hour
For this one hour
On top of the hill
For this one hour
I'm with you again
In dreams I thought beyond recall
Of my family and my friends
Gone beyond the wallI'd forgotten, forgotten how to cry
My heart has been dryNow, now, now at long last
It opens like a flowerFor this one hour
For this one hour
On top of the hill
On top of the hillFor this one hour
For this one hour
For this one hour
For this one hour
For this one hour
On top of the hill
On top of the hill
On top, way up on the hill
On top of the hill
Way up on the hill
On top of the hill
On top of the hillFor this one hour
