My All In All

Phil Wickham

You are my life you are my love
You are my reason
You are my hope you are my joy
You are my passion
My all in all Jesus my all in allIn the desert You're the river
An ever flowing stream of life
In the battle You're the victor
We raise Your banner highIn the darkness You're the fire
A holy flame for all to see
In my heart You reign forever
My all, my everythingYou are my life you are my love
You are my reason
You are my hope you are my joy
You are my passion
My all in all Jesus my all in all
My all in all Jesus my all in allIn the tempest You're the shelter
And I will hide beneath Your wings
Hallelujah what a Savior!
My all, my everythingYou are my life you are my love
You are my reason
You are my hope you are my joy
You are my passion
My all in all Jesus my all in all
My all in all Jesus my all in allYour name be high and lifted up
Jesus Your name be high and lifted up
Jesus Your name be high and lifted up
In all the earth, in all the earthYou are my life you are my love
You are my reason
You are my hope you are my joy
You are my passion
My all in all Jesus my all in all
My all in all Jesus You are my all in all
