Inflate My Ego

Daniel Bedingfield

Rang her up and her father said, "She's gone You're too late boy, she's already been taken" Rang again, what her father said was wrong It's not true boy, Daddy was mistakenWhat am I to do about it? What am I to do about this thing? There's no way I can feel about it 'Cause I don't even know how much I love herRang her up and her father said, "She's gone You're too late boy, she's already been taken" Rang again, what her father said was wrong It's not true boy, Daddy was mistakenWhat am I to do about it? What am I to do about this thing? There's no way I can feel about it 'Cause I don't even know how much I love herI consider you so expendable You might as well pack your bags and go I don't need you, my whole world revolves around me Inflate my ego(I consider you so expendable) (You might as well pack your bags and go) (I don't need you, my whole world revolves around me) (Inflate my ego)Rang her up and her father said, "She's gone You're too late boy, she's already been taken" Rang again, what her father said was wrong It's not true boy, daddy was mistakenWhat am I to do about it? What am I to do about this thing? There's no way I can feel about it 'Cause I don't even know how much I love herI consider you so expendable You might as well pack your bags and go I don't need you, my whole world revolves around me Inflate my ego(I consider you so expendable) (You might as well pack your bags and go) (I don't need you, my whole world revolves around me) (Inflate my ego)(I consider you so expendable) (You might as well pack your bags and go) (I don't need you, my whole world revolves around me) (Inflate my ego)(I consider you so expendable) (You might as well pack your bags and go) (I don't need you, my whole world revolves around me) (Inflate my ego)
