Inaugral Trams
TramsI will design a town in the image of your face
Round the wrinkles of your eyes my footsteps you can trace
We could promenade down infra-nasel depression
The streets of your hands will never feel a recessionIt's a secular day and it will be even better tomorrow
It's the first day of the intergrated transport hub
Let us celebrate this monumental progress
We have reduced emmisions by 75%Trams

TramsThey say the future of cement is set in stone
We could proclaim a republic and throw away the throne
We will likely ????? spaceships. (beep)
By the speed of light the ??? will get ??? (beep)
(Trams)It's a secular day and it will be even better tomorrow
(Trams)It's the first day of the intergrated transport hub
(Trams)Let us celebrate this monumental progress
(Trams)We have reduced emmisions by 75%***0 0 0
Halt die Stelle, halt die Stelle (keep the position, keep the position)

Ralf will was von ihm (Ralph wants something from him)1 2 3
Vergessen Sie Ihren Hut heut nicht (don't forget your hat today)3 4 5
Und fahren Sie mit uns in Ihre Zukunft, jetzt! (and start driving into your future with us, now!)6 7 8
Wer hï¿½tte das gedacht? (who had thought this?)9 10
Oh Kurt hatte Uta aus der Revue (oh, Kurt had Uta from the revue)Da lï¿½uft ein kleiner Hund im Netz, nein Nerz (a small dog is walking in a net, no fur)0 0 0
Halt die Stelle (keep the position)Hallo Bonbon. (hello drop)Trams
(Trams)It's a secular day and it will be even better tomorrow
(Trams)It's the first day of the intergrated transport hub
(Trams)Let us celebrate this monumental progress
(Trams)We have reduced emmisions by 75%
It's a magical day and will even better tomorrow

Let us make the best of a difficult situation."
